

Phase 2 Calendar

The Rhetorical Analysis and “Peer Profile” Assignment

ENGL 110 | FALL 2023

During Phase Two, you will learn more about reading texts for what they “do” and practice analyzing texts for their rhetorical features. You will also practice creating different kinds of rhetorical texts that target and are designed for specific audiences. Among other small assignments, you will complete the second major writing assignment of our course, the Rhetorical Analysis Assignment.

Note: you should have access to all readings & all assignments every class (in print or on your laptop/phone). This is because we’ll likely refer back to previous assignments/readings.
